

Amendments to the Drawings

The attached two sheets of drawings include changes to Figs. 11 and 12. These sheets, which include Figs. 10, 11 and 12, replace the original sheets including Figs. 10, 11 and 12.

Attachment: Replacement Sheets

Remarks

The Specification has been amended to claim priority of the provisional application. The claims have been amended to place the claims in a format suitable for prosecution before the U.S. Patent and Trademark Office. The claims were not amended in order to address issues of patentability. Two replacement sheets of drawings have been submitted to insert the text into the empty boxes. By this Amendment, new claims 21-24 have been added.

Conclusion

Applicants submit that claims 1-24 distinguish patentably and non-obviously over the prior art of record and are in condition for allowance. An early indication of allowability is earnestly solicited.

If any fees are due in connection with this Preliminary Amendment, the authorization to charge deposit account 14-1270 for the fees associated therewith is hereby provided.

Respectfully submitted,
